

**We cannot wait to have your camper with us for the 2024 Impact Summer Camp!!**

A few things about drop off and pick up:

1. Drop-off takes place at the front door of Impact. Please arrive at camp no earlier than 8:25 am (unless you have arranged for early drop-off). We have team groups staggering in the gym before so we cannot allow campers in before 8:25 am. We will have 4 orange cones lined up outside. You and your child can line up at the cones for check-in or wait at your car until the check-in table is empty.
2. Each day your child attends camp, we are leaving responsibility to you to send them *ONLY IF* they do not have any current illness symptoms. A staff member will then escort your camper into the gym and to their respective locations to get ready for camp.
3. At pick-up, please go to the white gate all the way to the right of the Impact parking lot. You will pick up your child and sign them out there between 4:00 and 4:30 pm (unless you have arranged for late pick up). If your child is scheduled for late pick-up you can pick them up by going through the main entrance.
4. If you are dropping off late or picking up early on any day, please give us a heads-up so we can have staff available.

**Each camp day, your camper should bring:**

1. For your child's first day of camp 2024, they **MUST HAVE** their camper health history form completed or they will be unable to stay for camp. Our camp license is dependent upon having **ALL** camper healthy history forms on file at inspection. **Please be aware that check-in on the first day of camp takes a few extra minutes so you can check health forms! Therefore, you can get here as early as 8:15am on Monday (ONLY)**
2. Lunch (On Friday, pizza and juice boxes will be provided to all campers. We can order Gluten free if you let us know).
3. 2 snacks
4. Water bottle
5. Change of clothes
6. Bathing suit (Please have your child practice putting their bathing suit on/off before coming to camp)
7. Towel
8. Footwear for outdoor games and playground (We recommend crocs or sandals for easy on/off and packing sneakers in case they play a game outside that require sneakers).
9. Sunscreen- Please apply sunscreen to your child before they arrive at camp. We will help campers apply any spray-on sunscreen that you provide, throughout the day.
10. Wacky Wednesday- Every Wednesday, our campers will participate in a Wacky dress competition. They should arrive to camp in their wacky outfit, as the first activity of the camp on Wednesdays will be a wacky parade and competition. There are group AND individual prizes that your camper will want to work hard to earn. If possible, their wacky outfit can be consistent with the theme of the week (that might give them a leg up on the competition). While not all campers have to participate, we have found that most like to and have fun with it!

**Miscellaneous Items:**

- \* Many things look alike, especially to the younger campers. It is best to label everything you can.*
  - \* The campers should arrive in comfortable activewear in line with the predicted weather for the day.*

The traffic on 93 and 3A on Friday afternoons is VERY heavy. Give yourself plenty of time. Late pickups will be charged the \$10 late pickup fee.

Your camp balance is due one week prior to your child's first day of camp. If you would like, you can log into the parent portal and pay on your own. If a balance remains, your credit card on file will be charged the Monday before your child's first day of camp. Please visit our [camp website](#) to check out our tuition policies.

Thank you for joining the fun at Impact Summer Camp!
